

YOUR TRUSTED PARTNER IN LUBRICATION

MOTORAX "ELITE" offers unique deadlock molecule technology. Fluid titanium technology. It provides superior strength for engine that works harder due to higher engines pressure and helps your vehicle maximize its performance. It is engineered to provide complete protection for engine durability and cleanliness. Its also formulated with rebus additive technology. Elite enable engines to achieve maximum level of efficiency torque and horsepower.

Grade :-
API SP/SN+/SN SAE 5W-30 3.5L/1L.

MOTORAX TRANSLUID ATF/TQ consists of high quality base oils and additives that provides resistance, gives better friction properties, exceptional low temperature fluidity improved seal compatibility and wear protection. This next generation transmission fluid supports the requirement towards increasing torque levels and maximum efficiency.

Grade :-
ATF DEXON-3 2.5L/1L/5L.
TQ STEERING OIL 500ML/1L.

AUTOMAX is a premium product of **MOTORAX**. This product is multigrade diesel engine oil for light and medium duty and passenger vehicle. It provides improved soot handling and oxidation capability for excellent wear protection and engine cleanliness.

Grade :-
API CI-4 15W-40 2.5L

MOTORAX GEARTECH is developed with proprietary additives and pure synthetic base stock. This gear oil flows better at cold start-up then maintains viscosity in high temperature. It provide high extreme pressure performance. It protects all gear components from premature wear. It is also protect your vehicle against shock loading.

Grade :-
API GL-4 SAE 80W-90 1L/2.5L.

MOTORAX "MAGMA" Engine oil is manufactured with high quality control measuring ensuring consistency an adherence to industry standard. The formulation is optimized to exceed specification and address the evolving needs of modern engines. It is also blended from selected base stocks and fortified with proprietary additive system to meet the performance level for different standards.

Grade :-
API-SN/CF SAE 20W-40 3L/1L.

MOTORAX "COSMO ULTRA" design for unsurpassed levels of engines performance, cleaning power and wear protection. It is enhanced frictional properties meet ILSAC GF-5. It keeps your vehicle's engine performing like new.

Grade :-
GSSAE 5W-30 4-AT 600ML.

RE-4ST is a premium semi synthetic. SAE 15W-50 non-fiction modified, Modern 4 stroke engine oil. It contains a superior Anti-wear package of FULL ZINC (Exceeding 1200+ppm) for maximum Engine protection.

Grade :-
JASO MA2 15W-50 2.5L

MOTORAX Power MAX/GOLD 20w-40/15w-40 is high quality universal fleet engine oil designed for use of highway diesel equipment. Farm machinery marine engines, mixed commercial fleets, passengers cars and light truck with either diesel or gasoline engines.

Grade :-
MAX - 20w-40 5L/3L/1L.
GOLD - 15w-40 5L/3L/1L

MOTORAX "PREMIUM GREEN/RED COOL"
 Is formulated for peak engines performance and its cutting edges technology actively fight against thermal stress, ensuring optimal temperature regulations during demanding conditions.

- Efficiency transfer heat away from the engines.
- guard against corrosion to protect various metals with the system.
- Minimize formations and keep corrobocator cool

Grade :-
 BS 6580, ASTM D3306,D4985 1L.

MOTORAX 20w50 eco booster is blended superior high quality base oil and additives. It is specially developed for automotive engines operating with CNG and LPG fuels.

Grade :-
 API SN/CH 20w50 1L.

MOTORAX "Ride X"/Scootex 10w-30 meets requirement of JASO Ma2 and API SN/SP which provide high performance based on synthetic technology.

Grade :-
 API JASO MA2 4T SN/SP 10w-30
 800ML/900ML/1L/1200ML.

MOTORAX "ZENRIDE" 4T Plus is an unique choice for option four stroke engine performance. Specially formulated to provide superior lubrication with advance additives. our 4T plus oil enhance fuel efficiency and maintains engine cleanliness. its carefully balanced formula ensures consistent performance making it an ideal chaise for both daily commuting and spirited rides.

Grade :-
 API JASO MA2 SAE 20W-40 1L.

MOTORAX PREMIUM GOLD contains special chemical additives that enhance oxidation resistance, rust protection and extreme pressure protection. This grease forms an adhering film on metallic surface to provide additional protection against scoring. it further ensures effective resistance against softening under severe working conditions good water resistance and consistency.

Grade :-
 AP-3 NLGI 18KG.

Premium Turbo 15w-40 is high quality universal fleet engine oil designed for use in off highway diesel equipment. Farm machinery marine engines, mixed commercial fleets, passengers cars and light truck with either diesel or gasoline engines.

Grade :-
 API CI-4 PLUS 15w-40
 6L/7.5L/10L/16L/20L..

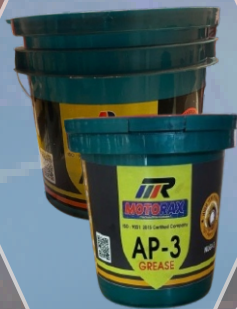

AP-3 All purpose grease suitable for plain and roller bearing joints chassis application operating parts of automobiles. All types of industrial and agricultural machinery uses.

Grade :-
 AP-3 NLGI
 200gms/500gms/1kg/5kg/18kg.

ENKLO VG-68 (Viscosity Grade) is a high refined thermally stable hydraulic mineral fluid designed for a wide variety of machinery, mobile and industrial equipments subjected to varying loads and temperature.

- Increase convenience and reduce cost due to all season performance.
- Promotes maximum fluids life by resisting viscosity loss and chemical breakdown.
- Help reduce energy cost due to high viscosity index, energy efficient formulations.

Grade :-
 ENKLO VG-68 5L/10L/20L/26L.

Corporate Address :- 408, Sohan Avenue Road, Andheri West
Mumbai, Maharashtra - 400102

Manufacturing Address :- BG 554, Opp. D-126, Bagdola
New Delhi - 110077
